- The nationals Colleyville disciplined in *One on One with God* in Zambia have trained nationals from Botswana, Namibia, Malawi, Congo DR, and South Africa.

USA, First Colleyville Church in TX—Dr. Craig Etheredge, Senior Pastor

- When Dr. Craig Etheredge and Glenn Underhill arrived at First Colleyville, then known as First Baptist Colleyville, the church started on the path of becoming a disciple-making church.
- By early 2014, well over 900 people had been disciplined.
- Now many church pastors and leaders come to First Colleyville seeking help in becoming disciple-making churches.
- Glenn has moved to a church in the Atlanta area where he was invited to lead the church to become a disciple-making church.
- Under the leadership of Craig, First Colleyville began an annual IGNITE conference (now known as FLASHPOINT conferences) where pastors and lay people were invited to learn more about making disciples who make disciples from disciple-making guest speakers and breakout session leaders.
- Many disciple making tools are promoted at various book tables, but ***One on One with God* is given center stage as the tool used personally by Dr. Craig Etheredge and Glenn Underhill, FLASHPOINT conference leaders.**
- In 2016 there will be three FLASHPOINT conferences (see p. 7).
- The rapid spiritual decline in the USA demands a response like FLASHPOINT, where pastors and spiritual leaders are challenged, encouraged, and shown how "to go and make disciples" (Matthew 28:18-20). Today no country in the world is in greater need of disciple-makers than the USA.

What is more important in life than making good decisions?

Do you struggle with discerning God's will in your everyday life and decision-making? In *Making Decisions Based on God's Specific Personal Promises*, Jerry and Marilyn Fine draw on years of relationship and intimate fellowship to tell you why and show you how to make godly decisions by applying principles from God's Word, the Bible.

"Jerry and Marilyn Fine show us how the will of God is clearly revealed to the believer who is surrendered to the Lordship of Christ... This book moves us beyond the theoretical and into the practical application of God's truth. It is a book you will both treasure and share, a book to which you will return again and again."

Jerry and Marilyn's concern for the USA

We are deeply concerned about the rampant turning, in epidemic proportions, from the godly principles this country was founded on and we were taught. As Christ-followers we believe that the reason for this decline in spiritual values and practice is primarily twofold:

1. Our disobedience to PRAY and meet the conditions God has given us to see our land healed in 2 Chronicles 7:14.

- "If My people who are called by My name [Christians]
- "will humble themselves [and not wait until God has to humble us],
- "and pray [fervently—practicing the attitude of obedience],
- "and seek My face [not just His hand],
- "and turn from their wicked ways [repent],
- "then I will hear from heaven, and will forgive their sin and heal their land."

2. Our disobedience to "go and make disciples" (Matthew 28:18-20) as Jesus did—making disciples motivated by obedience to the Father and love, compassion, and concern for the lost.

We must get back to Jesus' plan of multiplication—every Christian making disciples—because it is the fastest way to reach the world for Christ.

Everything commonly called discipleship today is not discipleship as Jesus practiced and commanded. Rather, it is an anemic attempt to substitute one failed program for another in our own lives and in our churches. True discipleship is not a program; it is a way of life.

In the simplest terms, hope for the USA and the world depends on our obedience to:

- **PRAY**—meeting God's terms for forgiveness and healing and
- **go and make disciples**—who make disciples who make disciples.

For several years Go Face to Face/*One on One with God* has been involved in the annual **IGNITE Discipleship Conferences**, which

were originally held at First Colleyville in Colleyville, TX. In 2015 there were two of these conferences—one in Colleyville and the other in Beaumont, TX. After the 2015 IGNITE conferences, the name **IGNITE** was changed to **FLASHPOINT** to avoid a possible trademark infringement.

Through **IGNITE**—and now **FLASHPOINT**—conferences, we hope we are watching the early stages of a spiritual awakening. Over the past few years, several hundred laypeople and pastors have accepted the challenge to become personal disciple-makers and to turn their churches into disciple-making churches.

In 2016 *One on One with God* will continue to participate in **FLASHPOINT Discipleship Conferences** in three cities: Colleyville, TX; Atlanta, GA; and Houston, TX.

Based on past experience, each of these conferences will be attended by hundreds of pastors and laypeople seeking more information about becoming disciple-makers and producing disciple-making churches. **Because FLASHPOINT is led by One on One with God disciple-makers, One on One with God is promoted at each conference as the tool for making disciples.** It is very exciting to read the testimonies we have received from pastors and laymen whose lives have been transformed by *One on One with God*.

In 2017 **FLASHPOINT** organizers hope to hold conferences in at least three new states in addition to some of the past locations. In 2018 we hope to double the number of conferences. The ultimate goal is to hold at least one **FLASHPOINT** conference per year in every state in the USA.

Please pray for these conferences and the people who attend. Please make a special effort to attend a FLASHPOINT conference.

We love you.

In Him,

Jerry & Marilyn
