FLASHPOINT CONFERENCE

Lusaka, Zambia, September 23-24, 2016:

- About 300 attended this conference—a good representation of both pastors and lay people.
- Attendees came from Zambia, Zimbabwe, Kenya, Tanzania, Rwanda, Malawi, Botswana, Australia, and the USA.
- We had great challenging and encouraging disciple-making speakers in both the main and breakout sessions.
- Making disciples who make disciples is a genuine movement in the central and southern part of Africa.
- Our biggest problem is financial—keeping enough *One on One with God* workbooks and leader's guides printed for these passionate disciple-makers.
 - One pastor took me (Jerry) by the hand and said, "I must have 1,000 books. We have 40 trained disciple-makers in Malawi, Mozambique, and the entire eastern region. We must have more books." **Please pray that God will raise up supporters who will give financially to meet this great need and fuel this disciple-making movement.**

From Jessica U. in Mexico:

- Her disciples have a consistency and excitement in their daily walk with God.

From E_ in an unnamed country:

- He recently revised the *One on One with God* workbook in his language and printed 520 workbooks in a neighboring country.
- During this past summer 15 workbooks were given to a prison. As a result several prisoners were saved, 11 of whom were baptized in prison.
- E_ also reports that about 9 or 10 new groups will start soon in several churches in his country.
- Based on this and previous reports, I am confident that we now have over 800 disciples and 60 disciple-makers in this tightly restricted country where E_ and other disciple-makers are still making disciples.
- **Pray that E_ will be able to safely bring the One on One with God books over the border and that God will continue to work in the prison. Pray for those who will soon be discipled in their churches.**

From I_ in Malaysia:

- In March 2016, 29 Bible seminary students were introduced to *One on One with God*. Two of them are social workers who will be making disciples in their centers.
- In May 2016, 31 students in another seminary were introduced to *One on One with God* and are starting small *One on One* groups in their respective areas.
- Eight senior citizens in one church are finishing up the last few sessions of *One on One with God* with their pastor. There is a new sense of excitement in the church about leading people to Christ.
- In Miri, Sarawak, East Malaysia, Pastor Lim Thien Leong, pastor of Piasau Garden Baptist Church, has been leading his church and leadership in the last three years through *One on One with God*.
 - They have three generations of *One on One with God* disciples.
 - Pastor Lim is a leader among local pastors and has introduced *One on One with God* to all the Miri pastors.
 - One of those pastors, Jasbir Singh, is leading his leaders through *One on One with God* for the first time.
 - One of the leaders from Pastor Lim's church, Sister Sai Leong, is discipling students from many countries at Curtin University.
 - Many of these students are from **unnamed countries** who have returned home and started Bible studies and *One on One with God* groups.

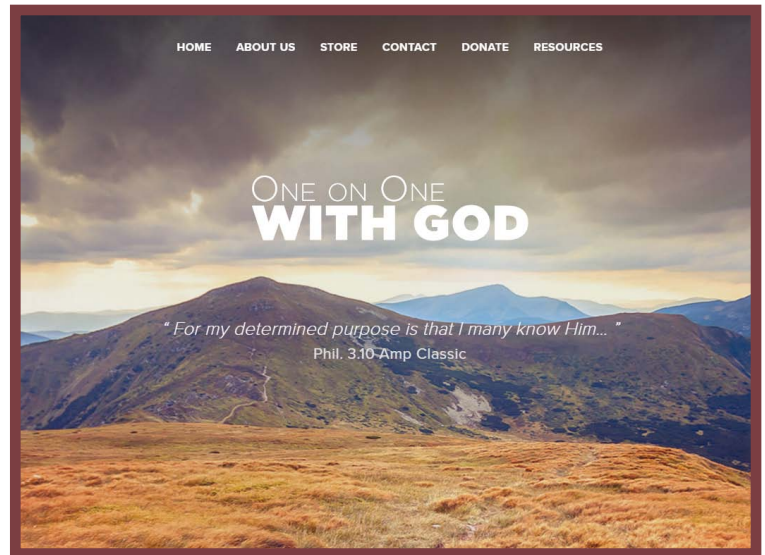

From I_ in the Philippines:

- In January 2016 I_ and a team of three others visited Cebu in response to an SOS from a missionary from Australia and his Filipino wife who have been ministering to lepers, drug addicts, and prisoners for 19 years. We are helping them in many ways but hope to start training the leaders to use *One on One with God* in 2017.

From I_ in an unnamed country:

- I_ and three others visited a new city in this unnamed country and found a key lady who had become a believer by listening to a radio broadcast from Hong Kong in the 1980s. Since then she has started ten churches in her area. They were also introduced to a fervent Christian sister who runs a Christian boarding school where they preached to 150 students; 60 students made decisions to follow the Lord. This team has been invited back in 2017 to teach *One on One with God* to the teachers and students.

- Security is very tight in this unnamed country with many new prohibitions against Christians. Yet God is working wonders there.
- In 2016 I_ and his teams visited 25 churches and organizations in six different countries to introduce *One on One with God*. In these six countries the risk ranges from nominal to extreme.
- **Please pray for the safety and success of I_ and his teams as they risk their lives to make disciples who make disciples.**

A movement of God: One on One with God disciples making disciples in Zambia and Southern Africa

Harry and Beatrice Tembo • Lusaka, Zambia

In September 2009, a team from First Baptist Church, Colleyville, TX, USA, traveled to Kalingalinga, Zambia, and introduced *One on One with God*. Twelve men were initially given intensive training, and they went on to reproduce other disciple-makers in their local churches and communities. In 2010 alone, over 150 men and women went through the training.

Requests for *One on One* poured in from other parts of the country. Besides Lusaka, there are now eight provinces where *One on One with God* disciple-making is taking place. Currently approximately 5,537 men and women have been discipled.

The ministry has now spread to Botswana, Namibia, Malawi, and Zimbabwe. Capro Ministries, a training organization in Gaborone, Botswana, requested that we send trained disciple-makers to their college to help with their discipleship department. We sent three disciple-makers who spent an initial six months of ministry training at Capro. In March 2014 disciple-makers Levy Kayumbe and Harry Tembo travelled to Lilongwe, Malawi, and led 25 men and women from four churches through an intensive *One on One* training. In June 2016 we again traveled to Harare, Zimbabwe, where 30 pastors and church leaders were discipled using *One on One*. Additional training requests have come from Congo DR, South Africa, and Mozambique.

The *One on One with God* student and leader's guide books have been translated into two Zambian languages: Bemba and Nyanja. Our vision is to translate these books into a total of six languages. This will allow many of those who do not read or understand English to be discipled and to develop into disciple-makers.

Personally, I have been impacted greatly by *One on One with God*. It has helped me grow deeper in my relationship and fellowship with God. I now have a purpose-filled relationship with God: to know Jesus deeply and personally more and more each day. Every time I go through this tool as I disciple others, the Lord reveals new biblical truths. I confess that I always shed tears as I share stories from this book. This book has helped me love God, love people, and make disciples who make other disciples.

I thank God for working through Jerry and Marilyn Fine to develop this important tool. I pray that God will

continue to lead us where He desires us to go with this tool. I am aware that Jerry and Marilyn are not alone in this heavenly cause but are supported by other faithful disciples of Christ. I therefore wish to encourage and thank everyone who has contributed to help Jerry and Marilyn produce and distribute this resource. We humbly request your participation in what God has called us to do. Together we can rally around and fulfill the Great Commission and make a great impact among the nations by changing and winning lives for Jesus. We invite you to pray and ask the Father that you join us in this work through coming to Zambia for mission trips and/or helping us financially to locally print the *One on One with God* books since we are in full-time ministry as volunteers.

God has used *One on One with God* to transform my life

Patrick Mulubwa • Lusaka, Zambia

1. He has made me a better disciple and disciple-maker than before, and now I am training more people to become disciple-makers.
2. He has brought tremendous change in my daily prayer life.
3. Now I read and study God's Word daily and as I do I meditate (ponder, picture and pray), moving the truth from my head to my heart.
4. I no longer see myself on the throne, as the boss of my life, Christ is on the throne and I am His servant.
5. Now God helps me keep my focus on Jesus and Jesus alone.
6. *One on One with God* has simplified God's Word for us and made it easier for us to understand and apply.

Come find your role in the world's greatest cause!

*"Prove to the world
that you are My disciples."* —John 13:35

What is more important in life than making good decisions?

Do you struggle with discerning God's will in your everyday life and decision-making? In *Making Decisions Based on God's Specific Personal Promises*, Jerry and Marilyn Fine draw on years of relationship and intimate fellowship to tell you *why* and show you *how* to make godly decisions by applying principles from God's Word, the Bible.

"Jerry and Marilyn Fine show us how the will of God is clearly revealed to the believer who is surrendered to the Lordship of Christ... This book moves us beyond the theoretical and into the practical application of God's truth. It is a book you will both treasure and share, a book to which you will return again and again."

—Tom Elliff

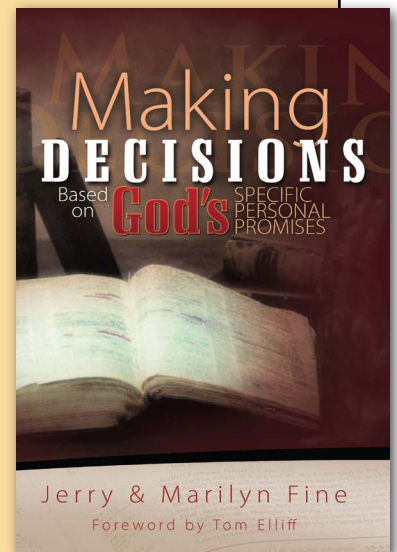

Former President, International Mission Board

"I wish I had had this book when I was younger."

—Mary

I have been reading very slowly and thoughtfully through Making Decisions Based on God's Specific Personal Promises and just finished it a few days ago. When it arrived, I wanted to sit down with it and not get up until the last page was read, but I restrained myself. I knew a slow, careful reading would be so much better! I can't tell you what it has meant to me. I will read it and reread it for the rest of my life!

—Vickie C.

Since 1970 we have witnessed an explosion of *ONE on ONE with GOD* disciples across our nation and around the world. **Now we are experiencing a genuine movement of God in Central and Southern Africa through multiplying generations of disciple-makers.**

We need your financial support to help us continue fueling this movement of God with the necessary *One on One with God* materials.

Our experience in Central and Southern Africa is that approximately one out of every two people discipled becomes a disciple-maker.

We can print the *One on One with God* workbooks and leader's guides in Africa for just \$9 for both books.

**Therefore,
a donation of:**

- **\$18** produces 1 passionate disciple-maker.
- **\$90** produces 5 passionate disciple-makers.
- **\$180** produces 10 passionate disciple-makers.
- **\$1,800** produces 100 passionate disciple-makers.

GIVE NOW — CHANGE LIVES!
Can and will you help us fuel this movement of God?
