Go Face to Face News is published in response to the above question from *One on One with God* disciples and disciple-makers around the world, as well as our prayer partners and financial supporters, all of whom are part of a bigger team than they can imagine.

We want each team member to know that he or she is part of a large and growing movement whose goal is reaching people for Christ and walking with them to maturity by making disciples who make disciples.

Q: What is the relationship between Go Face to Face International, Inc., and *One on One with God*?
A: *One on One with God* is a tool used by Go Face to Face International, Inc., to make disciples and produce disciple-makers throughout the world.

Updates from One on One with God field partners serving around the world

From Jessica U. in Mexico:

- The women Jessica has taken through *One on One with God* "used to have a very hard time understanding what they were reading in the Bible. But with the practice of meditation, they take the time to ponder, picture, and pray and now say it makes so much more impact meditating on what they are reading instead of just reading the Bible."

From Ben Borgman and Keith Williams in Zambia and Burkina Faso:

- In June 2017 Keith traveled to the village of Luangwa in the Eastern Province of Zambia to train missionary Kenny Vines and some of his local leaders (two men and two women) who speak English well. Now these local leaders are leading others through *One on One with God* while Kenny is temporarily in the USA to finish his Ph.D. at Southwestern Baptist Theological Seminary. Keith said, "My most memorable experience was seeing the excitement in Luangwa that *One on One with God* was already available in their Nyanja language."
- In July 2017 Ben and Keith went to Burkina Faso to do the final proofing of the Moore translation of the *One on One with God* workbook and leader's guide. Ben stated that one of his most memorable experiences was "going to all of the villages in the bush and hearing stories of churches being planted and pastors being trained using *One on One with God*."
- Keith plans to go back to Burkina Faso in the spring of 2018 to lead the first intensive groups through the new Moore translation of *One on One with God*.

From I_ in Malaysia:

- I_ reports there has been a breakthrough in a church in a growing township in Asia.
 - The church has an attendance of about 120 people, and 79 people in the church, including the pastor and elders, made a commitment and

started going through *One on One with God* in September 2017 under I's___ leadership.

- The pastor has ten key leaders who will lead groups of six to eight people.
- I___ has worked with this church for two years to get *One on One with God* started.
- We praise God for I's___ endurance.
- I___ has one deeply committed disciple-maker, Mr. M, who in 2016 disciplined eight senior citizens over 55 years of age. Now Mr. M. is discipling others and introducing the Chinese *One on One with God* to other denominations in his area.
 - Mr. M often goes into an unnamed country to make disciples.
- In 2017 I___ taught 70 students in two seminaries and introduced them to *One on One with God*.
- I___ has leaders who are revising the existing Nepali version of *One on One with God*. It should be available in 2019.
- In October 2017 I___ had a good conference in Bangkok, where he shared with four key Chinese-speaking leaders from Myanmar. He gave each one a set of *One on One with God* books in Chinese and offered to arrange for people to train them to make disciples and produce disciple-makers. Pray for these four leaders that God will give them a passion to make disciples and produce disciple-makers.
- Neither I___ nor his wife are in good health, so please pray for them. They are great warriors for Jesus Christ.

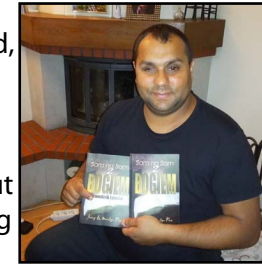

From Harry Tembo in Africa:

- In late October 2017 Harry Tembo and Elder Levy disciplined a group of 28 excited people in Tanzania.
- Harry would like a translation of seven more African languages, but at the top of the list will be Portuguese, which we could use in four other countries.
- Harry's goal in November and December 2017 is to follow up in South Africa and make new disciples in two land-locked countries in South Africa, Lesotho, and Swaziland.
- In 2018 Harry plans to make new disciples in Angola and follow up in Malawi, Zimbabwe, Mozambique, and Tanzania.
- Harry will need GFTF help for these trips. Please pray for contributions sufficient to pay for the trips.

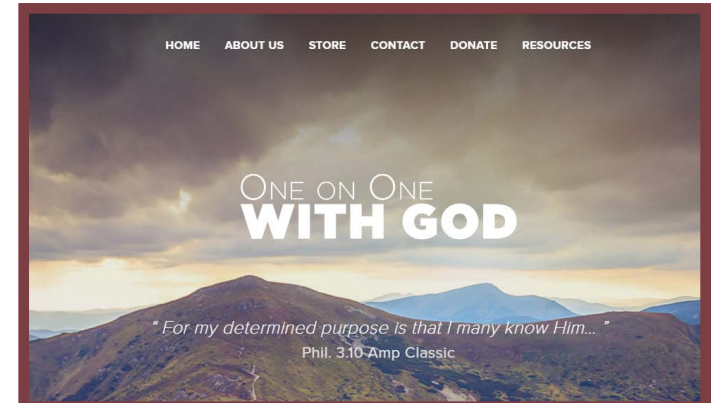

From Irek in Poland:

- 2017 has been a hard year for Irek, yet he continues to faithfully serve the Lord in multiple ways.
 - Irek's wife left him in September 2016 and is having an affair with another man. She is not only ruining her life but is trying to destroy Irek's life and ministry as a pastor. Yet Irek continues to do a good job of loving and pastoring the people in his church and often preaches in other churches all over Poland. Please pray for Irek and this very difficult time in his life.
- Irek is currently using WhatsApp to disciple Janek (pictured at right), a Polish Gypsy who lives in England, and is praying that Janek will disciple his family and other Gypsies in England.
- Irek is responsible for about 450 people in Poland being disciplined through *One on One with God*.
- Irek is revising and proofing a new 12-session Polish sequential version of *One on One with God*.
- About 400 Catholics in Poland have recently gone through Walk Thru the Bible and are hungry to learn more from the Bible. Irek is praying that he will have the opportunity to take them through *One on One with God*.

From Sergey in Ukraine:

- Sergey loves to see how new believers discover God in daily life when they go through *One on One with God*, the main discipleship tool for new believers in his church. He believes it is the best tool, among many, for making disciples in the Ukrainian language.
- Sergey created a Viber group of 64 *One on One with God* disciple-makers scattered across Ukraine to stay in touch.
- He is now thinking about how to raise up more disciple-makers for and among young people.
- Sergey just published his first book, *The Alphabet of Worship for Families*, with 55 characteristics of God in it. Please pray that many families will use it to start a family worship time on a regular basis.
- Pastor Alexander in Latvia contacted Sergey to disciple him using *One on One with God*, and they are trying to work out a time for this to happen via Skype. Sergey has offered to go to Latvia and take Pastor Alexander through the first five sessions since that is how Sergey himself was disciplined.

A well used One on One workbook

The man in the white shirt above, holding the well-worn Spanish *One on One with God* workbook, was disciplined by his father in Guatemala. His father was disciplined over 30 years ago by Dr. Mark McClellan while Mark and his wife, Cindy (center), were missionaries in Guatemala.

The father, whom Mark disciplined, is now with the Lord. He erased his answers in his *One on One with God* workbook and used it to disciple his son in the white shirt. We have no way of knowing how many others the father may have disciplined with that same workbook, but we know of thousands of disciples in dangerous situations around the world who have done the same thing.

We praise God for the passion and courage of the thousands of true disciples around the world—missionaries, pastors, laymen, and laywomen who give their lives making disciples who make disciples.

God is at work in Africa producing true disciples and disciple-makers.

They come to us.

From Zimbabwe to Zambia:

This group came from Zimbabwe to Zambia to be discipled through *One on One with God* because they heard how lives were being transformed by God through *One on One with God*.

We go to them.

From Zambia to Mozambique:

Disciple-makers in Zambia traveled to Mozambique to disciple two groups of 8 women and 20 men. The Zambian disciple-makers continue to go into other countries to make disciples in obedience to God's command to "Go and make disciples of all nations" (Matthew 28:18-20).

From Zambia to South Africa:

Pastor T. Shenzi of International Evangelical Ministries in Durban, South Africa, reports, "We are so happy to have been trained as disciple-makers using the *One on One with God* tool. We had been praying for knowledge on how to go out and make disciples, but at the right time, God sent the servants of God, Deacon Harry Tembo and Pastor Patrick Mulubwa, as our trainers. We thank God that now we have an effective tool to help us go make disciples who will make other disciples. We hope you will come back to encourage us and equip us further."

African countries with One on One disciple-makers

We know of 20 countries in Africa that have *One on One with God* disciples who have been trained to be disciple-makers. Of course there are other African countries we do not know about because the disciples and disciple-makers continue to move from country to country to make disciples.

Botswana	Lesotho	Sudan
Burkina Faso	Malawi	Swaziland
Cameroon	Mauritius	Tanzania
DR Congo	Mozambique	Uganda
Eritrea	Namibia	Zambia
Ethiopia	Rwanda	Zimbabwe
Kenya	South Africa	

The work of Go Face to Face International is far from finished, but we praise God for what He has done so far in Africa through *One on One with God*. To God be the glory.

Small countries deserve discipleship training, too

On November 30, two *One on One with God* disciple-makers left Zambia for the land-locked countries of **Lesotho**, bordered on three sides by South Africa and on the east by Mozambique, and **Swaziland**, surrounded by South Africa. Committed pastors and laypeople in both nations are eager for intensive *One on One* training by Deacon Harry Tembo and Pastor Patrick Mulubwa.

After making disciples in these two countries, our disciple-makers will stop in Durban, South Africa, to follow up on the disciples and disciple-makers God made through them earlier this year. On this trip these new disciples and disciple-makers will experience five days of intensive training in making disciples who make disciples and will be released to do what they have been trained to do. Harry and Patrick will arrive home on December 23, 2017.

Exciting new One on One with God app for smart phones coming in 2018

Several years ago, a teacher making disciples in a high school setting reported that students were asking for *One on One with God* to be made available in app form for their smartphones and mobile devices. The current generation operates in a digital culture, and communication has shifted this direction all over the world, even to Third-World countries. Go Face to Face wants to offer disciple-making tools in any format that will help disciple-makers in every generation continue to fulfill the Great Commission. With a mobile app, GFTF will be able to:

1. Resource the current generation in the format that is most familiar and user-friendly. *One on One with God* will be formatted as a fully interactive digital tool with exactly the same content that has been successful for over 40 years.
2. Resource international disciple-makers more easily. The app will be translated into 40 languages spoken in 150

countries. Our current translations can be made available for purchase within the mobile app.

3. Reduce GFTF operating costs. The mobile app will be free for download on both Apple and Google platforms. GFTF will control the cost of the workbook for sale within the app and can reduce the price or give it away in impoverished countries while simultaneously reducing operating budget and time delays caused by international printing/shipping.

In the same way that the spread of Koine Greek allowed the gospel to spread like wildfire in the early days of the church, digital communication can be leveraged as a tool to continue multiplying disciple-makers all over the globe! Contact us if you would like to partner with GFTF in accomplishing this important project!

What is more important in life than making good decisions?

Do you struggle with discerning God's will in your everyday life and decision-making? In *Making Decisions Based on God's Specific Personal Promises*, Jerry and Marilyn Fine draw on years of relationship and intimate fellowship to tell you *why* and show you *how* to make godly decisions by applying principles from God's Word, the Bible.

"Jerry and Marilyn Fine show us how the will of God is clearly revealed to the believer who is surrendered to the Lordship of Christ... This book moves us beyond the theoretical and into the practical application of God's truth. It is a book you will both treasure and share, a book to which you will return again and again."

—Tom Elliff

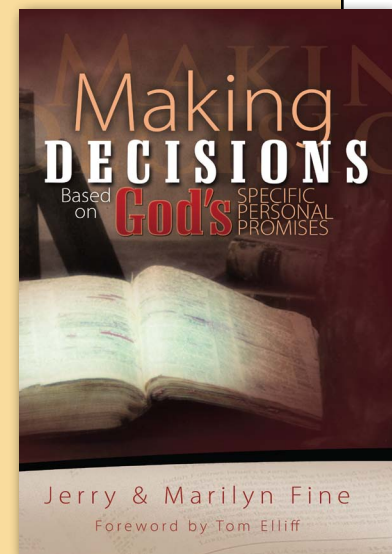

Former President, International Mission Board

"I wish I had had this book when I was younger."

—Mary

I have been reading very slowly and thoughtfully through *Making Decisions Based on God's Specific Personal Promises* and just finished it a few days ago. When it arrived, I wanted to sit down with it and not get up until the last page was read, but I restrained myself. I knew a slow, careful reading would be so much better! I can't tell you what it has meant to me. I will read it and reread it for the rest of my life!

Since 1970 we have witnessed an explosion of *ONE on ONE with GOD* disciples across our nation and around the world. **Now we are experiencing a genuine movement of God in Central and Southern Africa through multiplying generations of disciple-makers.**

We need your financial support to help us continue fueling this movement of God with the necessary *One on One with God* materials.

Our experience in Central and Southern Africa is that approximately one out of every two people discipled becomes a disciple-maker.

We can print the *One on One with God* workbooks and leader's guides in Africa for just \$9 for both books.

**Therefore,
a donation of:**

- **\$18** produces 1 passionate disciple-maker.
- **\$90** produces 5 passionate disciple-makers.
- **\$180** produces 10 passionate disciple-makers.
- **\$1,800** produces 100 passionate disciple-makers.

From Malawi:

Bishop John Mumba of Bethel Ministries Church in Lilongwe says, "I am overcome with great joy because of how God has touched my life and heart through the *One on One with God* training...

I praise God for bringing you to Malawi to help us know how to become disciple-makers. May God bless this work."
