

JANUARY 2022

Dear Prayer Partners,

This month, we would like to take the opportunity to share an incredible testimony and ask you to join us in praising God and praying for His continued blessing. We have an amazing story to tell about how God honors believing and acting on what He tells us in His word. He has told us to “Go and make disciples of all nations” (Matt. 28:19). So, we go in the power of the Holy Spirit, but leave the results to God.

In August 2019, in Africa, we were locked down as borders from one country to another were beginning to close. So, *One on One with God* (101WG) decided to concentrate on our base country of Zambia in Africa. In August 2019, we sent a team to Kasama in the northern province of Zambia and disciplined, trained and equipped with 101WG materials an initial 50 disciple-makers.

The immediate obedience of these 50 disciple-makers was great and they began to reorder more and more 101WG materials and Bibles – there was a “big, big fire burning in their hearts,” and they had to release it.

In the 29 months, between August 2019 and December 2021, here are the actual results of what our amazing God has accomplished - one example of what God has been doing in multiple locations in Africa through hot-hearted passionate disciple-makers in the last 29 months:

PRAISES:

- 12 – Large districts were represented by disciple-making leaders in our first follow-up visit in December 2021.
- 309 - Total communities/villages/towns/cities have now been reached using the *101WG* disciple-making tool in the last 29 months.
- 83 – New Churches have been planted in the northern province as a direct result of the *101WG* disciple-making ministry in the last 29 months.
- 1,227 - Persons were baptized in 2021 by the time of this report.
- 147 - Attended our 5-day disciple-makers training and a 1-day leaders’ workshop in December 2021.
- 1,635 - Watched the Jesus film in 6 locations in the last 29 months.
- 500 – Copies of *101WG* Student Books were printed and distributed.
- 250 - Copies of Bemba *101WG* Leader Guides were printed and distributed.

PRAYER REQUESTS:

- Pray for – Good health for our team in the northern province of Zambia and their families.
- Pray for – Our indigenous missionary team that is ministering to 2 unreached tribes on Lake Mweru-wa-Ntipa.
- Pray for – Our Lord to raise up leaders to handle this growing work.
- Pray that – Our Lord will send those He has chosen to unite with us that we may train and send them to the unreached areas of this northern province.
- Pray for – Safety for our teams and to be bold and fearless as we march into and live within the strongholds of Satan to, “snatch others from the fire and save them” Jude 1:23.
- Pray that – The Lord will provide the funds to give more *101WG* books and Bibles to our new disciple-makers.
- Pray that – God would give us wisdom, as we pray through the many requests we receive from towns and countries in Africa that beg us to come and train them to be disciple-makers.
