We thank God for partners who PRAY, partners trained to GO, & partners who GIVE financially & sacrificially. We praise God for all who join us in this great work! | <b>2</b> Please pray for Harry and Pastor Iwell as they train disciple-makers in Cameroon. They began September 23 & will be traveling through October 7. Please pray for safety as they move about the country. | <b>3</b> Pray for Cameroon - there is a lack of training for pastors & church leaders, religious conflict between Christians & Muslims & conflict between French & English-speaking communities. | <b>4</b> Pray for Cameroon – ethnic conflict often hinders evangelistic efforts. Pray for peace & unity in the church. Pray that God will use Harry & Pastor Iwell to encourage the saints! |
| <b>5</b><br><i>So neither the one who plants nor the one who waters is anything, but only God, who makes things grow.</i><br>- 1 Corinthians 3:7                                                  | <b>6</b> Please pray that there will be a great harvest of souls as the Jesus Film is shown in Yaounde, Cameroon. Pray that training will result in many true disciple-makers & leaders. | <b>7</b> Please pray that the Lord will open doors for ministry in other nearby countries while they are there.                                                             | <b>8</b> Pray for the church & people of Lembe, Cameroon. Rebels have taken control there, preventing our team from going in to train disciple-makers.                                                    | <b>9</b> We thank God our team was invited to share about making disciple-makers with pastors & deacons at the Cameroon Baptist Convention.                                                                      | <b>10</b> Thank God our team met with the Baptist Convention Secretary General, who was receptive to 101WG—pray for more open doors & ministry partnerships there.                               | <b>11</b> Praise God that at the disciple-maker training in Douala, many believers & churches who are being traumatized by war & ethnic conflict have been greatly encouraged.              |
| <b>12</b> Please continue to pray for protection for African believers & their families & pray for the peace & healing that only comes through Jesus Christ for individuals, families, & nations. | <b>13</b> Please pray as we develop strategies & tools to help preliterate believers share what they've learned in 101WG with others in an oral format.                                  | <b>14</b> Doors have opened for our Africa team to take our 1 <sup>st</sup> trip to Ghana & possibly Togo. Pray for godly wisdom as we seek the right timing for this trip. | <b>15</b> We thank God for a report from 101WG partner E_ in Congo DRC. He traveled 50 miles to a village called Bunga-Bunga. Many came to see the Jesus Film & 13 put their faith in Jesus!              | <b>16</b> Please continue to pray for 101WG partners in Angola, Burundi, Eswatini, Lesotho, Namibia, Tanzania, Uganda who received Jesus Film Kits in June – for a great return on this investment!              | <b>17</b> Please pray as we begin a new translation of 101WG into Kirundi, a language spoken or understood by more than 25 million people in Africa.                                             | <b>18</b> Pray that God will connect us to the best translators & that the work will go smoothly to produce a faithful and accurate translation of 101WG into Kirundi.                      |
| <b>19</b><br><i>Seek the Kingdom of God above all else, and live righteously, and He will give you everything you need.</i><br>- Matthew 6:33                                                     | <b>20</b> Please pray that our 101WG app would be used more than ever before in the USA as we are offering all app resources free of charge in 2025.                                     | <b>21</b> Please pray for Daphne & Shane as they continually work on the 101WG apps to keep them running smoothly.                                                          | <b>22</b> Please continue to pray for the Arabic translation of 101WG. Pray for safety for the editor & translators as they work in dangerous conditions.                                                 | <b>23</b> Please pray for God to empower the editor to finish the Arabic translation, so 101WG can reach Arabic-speaking people with the Gospel!                                                                 | <b>24</b> Thank God for ministry partner, Renew World Outreach—their Jesus Film Kits & solar audio Bibles help us make disciples in Africa!                                                      | <b>25</b> Pray for wisdom as more ministry partners reach out—we need wisdom to discern the right connections to link arms in making disciple-makers!                                       |
